

## July 2 - The Thirteenth Sunday In Ordinary Time

Living as a Christian is not a neutral reality. The disciples and early Christians were committing themselves to real challenges, often life-threatening. Answering Christ's call who to embrace his life with all its ramifications. Those who did so believed it would be worth it. It's doubtful that they blindly followed him. Have we ever considered that being Christian may cost us something? Perhaps we've never asked ourselves this question. Maybe it is time to do so.

*"And whoever gives only a cup of cold water to one of these little ones to drink...he will surely not lose his reward."*  
Matthew 10:42

**A FORMED user review: Be a Man!** By Father Larry Richards

*Audio book and downloadable eBook*

"This highly engaging audio book will challenge you to become the man that God created you to be. Although written in a style intended for young men, the truth has no gender or age barrier. My wife loved it too! Fr Larry is able to be vulnerable, thought provoking, and entertaining as he speaks from his heart about our special role as men in our relationship to Christ, our families and our neighbour. I am so blessed and encouraged by listening. Your family will thank you for reading and responding to this audiobook." – OLPH Parishioner
