**Good Friday, March 29, 2024, 10 a.m.**  
**(99 Street and 107 Avenue)**

The Outdoor Way of the Cross is an ecumenical prayer event marking the suffering and death of Jesus. It is a time to reflect on how the gospel values of Jesus apply to individual and public life today. This year's theme is based on Isaiah 58:6-7: “Is not this the fast that I choose...to share your bread with the hungry and bring the homeless into your house.”

People of all faith traditions are welcome. The 1.5-kilometre walk is reasonable for most ages and ability levels. Free street parking is available near the start location. Light refreshments will be provided at Hope Mission (106 Avenue and 99 Street) after the final station.

For more information, contact Marguerite Watson at [marguerite.watson@telus.net](mailto:marguerite.watson@telus.net) or visit the Way of the Cross website. Search “Good Friday Outdoor Way of the Cross Edmonton”

**EASTER SUNDAY MARCH 31** ~ Regular Sunday Mass at 11:00 am

**4th Sunday of Lent** ~ Today we hear that God tells us over and over and over again through his messengers, how to gain eternal life with Him. But we continue to not listen — and sin. Then He finally sent His only son, our Lord Jesus Christ, who gave us the gospel, to open our eyes and see the truth the way and the light. Let us continue to celebrate the Lenten season, the season of salvation, not just by following the gospel, but as St. Francis of Assisi said, by *being* the gospel to others.

1. Please continue to donate **empty bottles and cans** to our charity fund raiser. There is a drop-off box at the entrance of the church.
2. The **Tofield Food Bank** is in desperate need of donations, especially canned fruit. We have a collection box at the front entrance. Please remember those less fortunate and bring a donation when coming to Sunday Mass. They also accept cash donations - which can be given to Sandy and she will take it in for you.
3. We are starting a **cleaning committee** to help keep our beautiful little church clean for God and for all. We will be having one month rotations and hope you can help out by signing up on the sheet at the back of the church or call Kathy for more info @ 780-270-8652. Even if you can help just every-now-and-then, it would be awesome!!
4. We are also starting a **social/fund raising committee**. Do you like to have fun and help others at the same time? We need your ideas! Please call Kathy @780-270-8652 for more info or sign up on the sheet at the back of the church.
5. We now have a **Men's Bible Study** group. Call Jason @ 780-446-5476 for more info.
6. Edelle is working on arranging for a **bus** to pick up our seniors in Tofield and bringing them to Sunday morning Masses. How amazing it would be to have our dear, dear senior members be able to join in the celebration of the Eucharist with us!!
7. Calling all **readers**. Please sign up at the back of the church to add your name to the list of rotating readers for Sunday Mass. Call Alex at 587-336-0750 for more info.
8. Every Friday during Lent at St. Francis of Assisi there will be Stations Of The Cross at 6:30pm. Please join in if you can.

**Saturday, March 23**

**12:30 - 4:00**

**Live online via Zoom**

What is so special about the Eucharist? Although the Eucharist appears to be simple bread and wine, it is actually the "source and summit" of the Christian life. In this half-day workshop, we will explore the truth and beauty of Christ's real presence in the Eucharist, from its origins in Sacred Scripture, to its profound role in the life of the Church and her members.

## Parish Upgrades & Capital Improvements Update

As we continue our Lenten adventure, you should know that the parish improvement wheels have been rolling along in the background. Some will begin taking shape within the coming weeks. Of note, the audio-visual upgrade (foyer and parish hall) contract has been awarded, and we will see the necessary supportive electrical work started in the foyer in the next couple of weeks. This project will provide video monitors with parish activities and scheduling of events in the foyer and the immediate office entry

area. The second part of this project will include a retractable video screen and a permanent projector installed in our parish hall. This will make it much more manageable for us to provide families' video tributes and slide shows at funeral luncheons, as well as at our parish activities, events and meetings. We are hoping for completion of the foyer component prior to Easter, with the hall upgrades to follow.

Our roof has been a constant bugaboo for much longer than I have been part of our parish. Much time, money and resources have consumed, endeavoring to seal, plug, waterproof our way to a fix. We still have water leaking into the nave of the Church on occasion. We have faced the reality that we need to install a new roof system on the sloped part of our parish. The cost ultimately, will be close to one million dollars. It is a great grace that we are in a financial position, with resources in place, to facilitate this major capital upgrade to our parish Church. There has been a much research and consultation done on this issue, and we do believe this is the right answer to a long-standing problem. We are looking at a 6-7-month window for this project, April-October. There will be some inconveniences and some noise, but this is the nature of the beast, and we need to get this done.

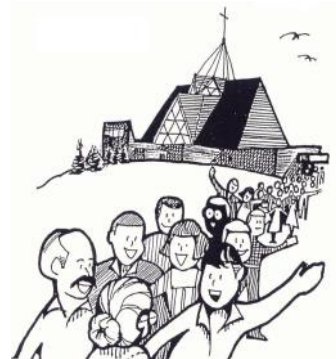

The benefit of a roof that does not leak at different arbitrary moments in time, is that we will be able to fix/repair the interior flat ceiling of the nave of the Church. It is presently quite an eyesore over the choir area as well as the flat sections over the east and west sides of the nave. It is an exciting thought that we can repair, repaint, redo these roofing areas, and have them looking as beautiful as most of the rest of our nave looks. We have such a beautiful Church building. It is a shame that parts of the interior are not what they

should be. Our new leak proof roof will make these improvements possible and more than just wishful thinking, while you are gazing up at the roof, as you reflect on some wonderful short but succinct and meaningful homilies. (Ooops, sorry, different church.)

Finally, bringing up the rear guard, we are still actively pursuing the goal of having a ceramic tile flooring in our sanctuary. The goal is to set the sanctuary apart from the nave of the Church, emphasizing that the sanctuary is the holy of holies within the Church proper. This project is still in feasibility and assessment stages, as it will probably involve a structural renovation to the wooden platform that is the sanctuary base. We desire our worship space to be beautiful. The premise is that as we worship in a beautiful, prayerful environment, we are subtly drawn more fully into the mystery of God's beautiful love for us, His children. How we worship, where we worship; these elements, when done well, all support the celebration of the Holy Mass. They contribute to our entering more efficaciously into relationship with our Lord Jesus.

You may be wondering what is happening with the proposed affordable seniors housing facility that has been considered for the west side of our parish property. We are still in conversation with the key stakeholders on this project. We, as a parish committee, have concluded that an affordable senior's apartment complex on OLPH property will not respond to our parishioners needs. We are convinced that "Aging in Place" must be the desired outcome for this proposed facility. Our concern is that our parishioners move in, and after a period of time (3-5 years) realize that they need to have some meals, or some house-keeping provided. If we do not offer it here, then they would have to move again. Our desire is that we can assist in meeting their needs as they age without the trauma of moving once again. At one point, most of us will need some form of acute care. This is not that. It is simply offering folks the ability to stay where they are, as long as they are able. This, by having some basic amenities available, as they become desired or required. Stay tuned my friends. The conversation is ongoing, but "Aging in Place" is our desired/required outcome, for any facility built on Our Lady of Perpetual Help property.

Blessings, Fr. Jim
