## TOFIELD CORNER

~ **St. Francis of Assisi Parish** ~

**5523-50 Street, Tofield AB** **Mass every Sunday at 11:00 am**

**5th Sunday in Ordinary Time** ~ In this Franciscan Jubilee Year our little church in the country can shine and “be the light of the world”. We are a small community who, together in Jesus’ name, can do great things for God’s people!!

1. **St. Francis of Assisi Parish Charity Fund Account** - Where do the funds raised from recycle collection, bake sales and garage sales go??? It is a charity fund to help with renos for our building and to help those in need and be a “light in the darkness”. Our Charity Fund has just donated \$200 each to three charity groups who help with young pregnant ladies in need. Because of the caring hearts of all our parish members, we have been able to help young pregnant teens in crisis situations see through the dark and into the light. Making the choice to choose life can be very difficult without support. These three places provide **vital** support for pregnant girls. We **will** continue to help these invaluable support teams to save lives for our Lord! If anyone would like to make their own personal donations to these groups, you can contact them at:

- The Terra Centre, 780-428-3772, 10320-146st. Edmonton
- The Gianna Centre, 780-482-5111, 9040-95ave. Edmonton
- The Back Porch, 780-421-9941, 10958-124st. Edmonton

There are brochures on our information wall at the front of our church. They are so happy to do a tour also if you are interested!

2. The draw for the cuddly Talking Jesus Doll was made at our Potluck lunch. Paulette was the lucky winner! She has a wonderful story about who she will be giving it to!
3. **Men of Tofield Parish** are invited for bi-weekly **Bible study** as we explore the Books of Maccabees, Wisdom, Sirach, and Proverbs. This is a great opportunity to connect with others, grow in fellowship, and your faith.  
When: Every second Tuesday (Starting January 13) at 6:00 PM  
Where: St. Francis of Assisi Church, Tofield  
Study Focus: Wisdom and Strength in a secular world

“ Love is not passive; it goes out to meet the other... Being a neighbor is not determined by physical or social proximity, but by the decision to love.”  
~Pope Leo XIV

Pope Leo XIV's chosen theme for the 34th World Day of the Sick, February 11, 2026, is “**The compassion of the Samaritan: loving by bearing another’s pain.**”

Rooted in the parable of the Good Samaritan in St. Luke’s Gospel, the theme highlights the call to love our neighbour in need through self-sacrifice and concrete gestures of closeness. Acts of kindness draw us into the suffering of others, allowing us to see the face of Christ and offer hope and comfort. **Read the Holy Father’s full message here:**

<https://www.vatican.va/content/leo-xiv/en/messages/sick/documents/20260113-messaggio-giornata-malato.html>

Established by St. John Paul II in 1992, the World Day of the Sick invites prayer, reflection, and witness, urging us to recognize Christ in all who suffer, especially those burdened by poverty and loneliness.

# I'M BACK

Greetings my dear brothers and sisters in the Lord. I arrived home at 0200 hours on Sunday February 1, and have been full-on since arriving home, and it is great. I would like to offer a general update about life in our parish community.

First, I had a wonderful vacation and time away. I was away for basically 25 days with a short interlude where I returned for Archbishop Hero's installation as Archbishop of Edmonton. I golfed about forty rounds of golf, was out in the fresh air for eight hours a day, and was disciplined - and tired enough - that I managed eight hours, or more, sleep most every day. It was not flashy, but it sure was restful, rejuvenating, and fun. I want to thank so many of our dear parishioners for their lovely Christmas gifts, which really assisted me in my "course work." (Yes, it supported my golf habit very beautifully as well.) Thank you, my friends. I am very grateful for all your love and care.

Our dear OLPH parish nave is in the midst of a significant internal face lift currently. No collagen involved. Just some well thought out, and well executed processes, which will make our dear Lady shine like brand new. As you read this you will note that the low ceilings have all been re-drywalled, taped, and painted. The interior walls of the Church are all getting a dose of good high-quality paint. You will note that this weekend you are walking on concrete flooring temporarily. Once we have completed dry-wall and paint in the upper areas of the Church, we will begin on the flooring. We are replacing all high traffic carpet areas with high quality rubberized tile flooring. Much more hygienic, and a whole lot easier to ensure cleanliness. This flooring is present in a couple of nearby large parishes, St. Theresa and Corpus Christi, and has proven resilient, easy to look at, and good to keep clean.

The carpet in the pew areas will be replaced in due time. This three-hundred-and-fifty-thousand-dollar upgrade is planned to be complete prior to Holy Week 2026. At the same time, we are looking to reinvigorate an aging "Building Management System." The "BMS" is the system that controls the heat and air movement within this very large facility. There are some zones at the present time, where we are unable to control temperature, because the electronics are no longer available to purchase. This retrofit will cost about fifty thousand dollars, which is only a little over a thousand dollars a year, when we consider the physical structural age, of Our Lady of Perpetual Help parish.

Finally, and of equal importance, I want to offer a huge thank you to the Maintenance group who work so tirelessly to coordinate and facilitate this ongoing process of moving pews, dropping light fixtures, moving chairs, setting up and taking down for Masses in the parish hall, and in the nave of the Church on weekends. It is almost difficult to understand the magnitude of work that is voluntarily undertaken on a week-to-week basis. The covering of the altar furniture, the constant cleaning, and resetting for the celebration of the Holy Mass every week, is a tribute

to the love our parishioners have for Our Lady of Perpetual Help parish. Many, many, trips up and down the stairs between the parish hall (where weekday Masses are being celebrated) and the nave of the Church; as she undergoes her metamorphosis, her rejuvenation, back into an incredibly beautiful worship space.

I do ask for your continued patience and good nature as we undergo some inconveniences along the way. It is nice when everything is status quo, but it is through change and challenge, that we are often given the opportunity to grow. With these inconveniences, these slight disruptions, perhaps we can consider them as part of our Lenten penance.

At the end of the day, there are a group of volunteers in our parish who are very much going the extra mile, in order that we all will be able to enjoy a worship space worthy of our Lord and Saviour, Jesus. To you, my friends, and you know who you are, a blessed and profound thank you. This is quite a journey, but I know all will be grateful we chose to embark on it, when all is complete.

Blessings, Fr. Jim
